Documentation

(<https://docs.brightdata.com/scraping-automation/web-unlocker/introduction>)

SCRAPER TYPE

Unlocker API

Pay only for successful requests

Premium domains

(<https://docs.brightdata.com/scraping-automation/web-unlocker/features#web-unlocker-premium-domains>)

+\$1/CPM

Gain access to more challenging-to-unlock websites that require additional Unlocker API resources. The extra cost is applied only to requests targeting the specific premium domains in this list

CAPTCHA Solver

(<https://docs.brightdata.com/scraping-automation/web-unlocker/features#disable-captcha-solving>)

Automatically detects and solves CAPTCHAs, ensuring uninterrupted scraping, at no extra cost.
